Expiration Date: TBD

## CREW AND PASSENGER LIST REQUIREMENT

The Coast Guard Captain of the Port, in response to the security threat to ports of Tampa Bay, requires ALL entrant commercial vessels to Tampa Bay ports to provide a complete crew list of ALL members on board.

All entrant commercial vessels must provide a complete crew list of ALL members on board (crew, passengers, and any other persons on board the vessel), including their full name, date of birth, nationality, position, and passport or other official identification number. Departure lists are also required for all vessels where crew, passengers or any other person on board changes. These changes shall be clearly identified on departure lists. This requirement is in addition to and in conjunction with the COTP 96-hour advanced notice of arrival requirements in 33 CFR T208. This measure will remain in effect until further notice.

I urge your cooperation in this matter, to assist in ensuring the safety and security of the US Marine Transportation System.

J. M. FARLEY  
Captain, U.S. Coast Guard  
Captain of the Port
